

NANO KOREA 2024

The 22nd International Nanotech Symposium & Exhibition

Prof. Suk-Won Hwang

Korea University, South Korea

Suk-Won Hwang is a professor of KU-KIST School at Korea University. He worked for Samsung Electronics, and obtained a Ph.D. degree under the guidance of Prof. John A. Rogers, in the Department of Materials Science and Engineering at the University of Illinois at Urbana-Champaign. His research interests cover soft, bioresorbable materials/devices for biomedical electronic systems.
