

NANO KOREA 2024

The 22nd International Nanotech Symposium & Exhibition

Prof. Jun-Hee Na

Chungnam National University, Korea

Jun-Hee Na is a professor at the Department of Electrical, Electronics, and Communication Engineering Education of Chungnam National University, South Korea. He received his Ph.D. degrees in electrical engineering from Seoul National University, South Korea in 2012. He had worked for Samsung Electronics and Apple Inc., where he was engaged in the development of advanced display and electro-optics systems. His research activities include those on electro-optic phenomena and soft actuators based on soft matter.
